**Address:** Rruga Muhamed Deliu, 1007, Tirane, Albania (Home)

### WORK EXPERIENCE

#### MARKETONE INTERNATIONAL – REMOTE

##### SOLUTION ENGINEER – 10/2024 – CURRENT

- Serve as the Salesforce Marketing Cloud (SFMC) subject matter expert, translating business requirements into scalable, efficient solutions within SFMC.
- Partner with cross-functional teams, including Client Services and Tech Strategists, to deliver advanced marketing automation programs tailored to client needs.
- Oversee the day-to-day development of marketing automation workflows, ensuring the correct resources are allocated and providing mentorship to junior team members.
- Lead discussions with clients on how to best utilize SFMC to enhance customer experience and drive user adoption.
- Continue to stay at the forefront of marketing automation technologies to ensure seamless integration and performance improvements for clients

#### MARKETONE INTERNATIONAL – REMOTE

##### SALESFORCE MARKETING CLOUD DEV / WEB DEVELOPER – 2022 – 10/2024

- Led complex Salesforce Marketing Cloud campaigns from start to finish, including strategy, design, implementation, and reporting.
- Developed and executed customized solutions for clients using Salesforce Marketing Cloud, including data integrations and automation workflows.
- Utilized AmpScript and SSJS extensively in daily development tasks to solve various client issues and optimize campaign performance.
- Used SQL queries in Salesforce Marketing Cloud to segment audiences based on various criteria like demographics, behavior, and engagement, refining data sets for accurate targeting.
- Built websites and custom solutions using HTML, CSS, JavaScript, jQuery, Python, and RESTful APIs.
- Created custom API solutions in Oracle Eloqua and Adobe Marketo to streamline data management and improve marketing automation.
- Conducted code reviews and provided technical guidance to junior developers, ensuring adherence to coding standards and best practices.
- Stayed up-to-date with emerging trends and technologies in Salesforce Marketing Cloud, front-end web development, and marketing automation.

#### ASSIST DIGITAL, ASSIST SH.P.K – TIRANE, ALBANIA

##### MARKETING AUTOMATION SENIOR ANALYST – 2018 – 2022

- Technical Lead of a large Marketing Automation team of 10-15 members.
- Working on large-scale Marketing Automation projects for Mopar FCA, Luxottica, and Maserati.
- Extensive knowledge of key Marketing Automation platforms, including Salesforce Marketing Cloud, Oracle Eloqua, Oracle Responsys, and HCL Unica.
- Developing highly personalized and responsive emails and landing pages.
- Planning and implementing the automation of forms and canvases to engage current and potential customers.
- Designing and configuring complex digital campaigns and customer journeys.
- Analyzing email campaign performance, including audience segmentation, offers, creative content, deliverability, open rates, click through rates, and conversion rates.
- Producing daily, weekly, monthly, and quarterly performance reports, with the ability to identify and resolve data anomalies.

#### ASSIST DIGITAL, ASSIST SH.P.K – TIRANE, ALBANIA

WEB CONTENT EDITOR – 2017 – 2018

- Worked with Adobe Experience Manager to create and adapt web pages.
- Created and adapted web pages for various EMEA region languages.
- Developed web pages for Mopar FCA Group's major brands, including Fiat, Alfa Romeo, Jeep, Lancia, Abarth, and Fiat Professional.
- Adjusted page layout and style elements to meet brand criteria.
